Members of the Heart of the Rockies Chamber of Commerce Vaqueros welcome RidgeviewTel LLC to the chamber during a recent ribbon cutting ceremony. The company delivers fully integrated high-speed wireless internet service including bandwidth, network infrastructure and customer premised equipment.

RidgeviewTel LLC

RidgeviewTel, LLC is the latest Heart of the Rockies Chamber of Commerce member to have a ribbon cutting.

Headquartered in Longmont, RidgeviewTel delivers fully integrated high-speed wireless internet service including bandwidth, network infrastructure and customer premised equipment. They also leverage proprietary back-office and end-user technologies that enhance the end-user internet experience while maximizing a return on infrastructure investment.

RidgeviewTel is focused on serving rural markets that are underserved or have no viable alternatives for service. They target and operate in markets where there is little or no competition.

In a community where there is competition, RidgeviewTel strives to provide the best possible service at the lowest possible price.

For more information on RidgeviewTel or to begin service, call them at 800-541-3060.
